Estrela Marketing Solutions Automobile & Boating Enthusiasts List is composed of individuals who have filled out an extensive questionnaire, providing us with information on their demographic, psychographic and geographic characteristics. This segmented database gives advertisers the capability of targeting more than 1 million cars and boats enthusiasts residing in the US, who have expressed interest in receiving email offerings of different products and services specifically tailored to their specific hobby.

These are ideal prospects for: new and pre-owned automobiles, new and preowned boats, speed boats and yachts, water sports gear, boating gear, sailing classes, car reviews, Formula One and Kart merchandise, car and boat shows, car and boat magazines, merchandise in general, and any product or service relevant to speed, automobiles and boats. This is the opportunity to target consumers based on their hobbies and interests.

Delivery includes:

Text message (English, Spanish and/or Portuguese)
HTML message (English, Spanish and/or Portuguese)
Tracking of Click-Throughs, and Open Rates

Creative Services:

HTML Email Design
Translation of creative and/or landing page
