Estrela Marketing Solutions' Food & Wine Enthusiasts List is composed of individuals who have filled out an extensive questionnaire, providing us with information on their demographic, psychographic and geographic characteristics. This segmented database gives advertisers the capability of targeting more than 500,000 food and wine enthusiasts residing in the US, who have expressed interest in receiving email offerings of different products and services specifically tailored to their specific interest.

These are ideal prospects for: fine wine, imported and local liquors, gourmet coffee, restaurants, International food, delicatessen products, preserves, cooking books, cooking utensils and apparel, organic food, online shopping, cooking courses, kitchen appliances, merchandise in general, and any product or service relevant to food and wine. This is the opportunity to target consumers based on their hobbies and interests.

Delivery includes:

Text message (English, Spanish and/or Portuguese)
HTML message (English, Spanish and/or Portuguese)
Tracking of Click-Throughs, and Open Rates

Creative Services:

HTML Email Design
Translation of creative and/or landing page
