Estrela Marketing Solutions Student List is composed of individuals who have filled out an extensive questionnaire, providing us with information on their demographic, psychographic and geographic characteristics. This segmented database gives advertisers the capability of targeting more than 500,000 teens, college students, and young adults residing in the US, ranging in age from 16 to 25 years. These students have expressed interest in receiving email offerings of different products and services specifically tailored to their interest.

These are ideal prospects for: CD clubs/Music, entertainment offers, wireless products, education offers, catalogs, electronics, cosmetics, and merchandise in general and everything having to do with family and parenting. This is the opportunity to target consumers based on their profile, hobbies and interests.

Delivery includes:

Text message (English, Spanish and/or Portuguese)
HTML message (English, Spanish and/or Portuguese)
Tracking of Click-Throughs, and Open Rates

Creative Services:

HTML Email Design
